**Learning Leaders**
Characterised by their leading role and influence in terms of capacity to respond, field presence, and commitment to learning and improving performance in the sector.

**Aspiring Actors**
Diverse in terms of their size and capacities, but characterised by their focus on building strengths in specific “niche” areas, such as geographic regions or thematic areas, and their aspirations to take on a greater role in the sector.

**Principled Partners**
Characterised by their generosity, strong commitment to humanitarian principles of neutrality, impartiality and independence, and flexible funding arrangements with partners.
